We know that many of you have to make arrangements in order to be able to escape for a few days, so we have put together some information that we hope will help you with that. Please read through the material attached and make plans to join us. We are happy to answer any questions that you may have.

#### What will we do there?

We will have lots of silly fun, eat good food, get some rest (or stay up all night giggling), make new friends, worship together, grow closer to our Lord, and hear from our speaker, Teresa Harmening.

Teresa Harmening was recommended to us by Debbie Perry, who has worked with her in the past at several Christian women conferences. Teresa has the unique ability to use words and music to inspire others to seek God with a fresh passion. Her enthusiasm and upbeat personality reflect a message of joy and hope that comes from spending time in God's Word, the foundation for a dynamic life in Christ.

As a speaker and vibrant communicator of God's Word, Teresa's passion is to see people awakened with a fresh hunger to know God and come into a deep and authentic relationship with God that will impact their lives for God's kingdom.

Teresa has 30 years experience serving in her home church in the music ministry as pianist and worship leader. She and her husband, Boyd, have been married for over 30 years, and they are the parents of two grown children. Boyd and Teresa make their home in Addielou, Texas.
